

EPC DISCIPLESHIP "HABITS OF GRACE"

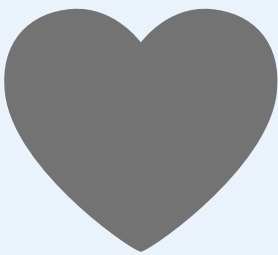

Reflection Questions - Session 15

Take some time to pray and reflect over these questions as we move to deepen and grow in walking after Christ.

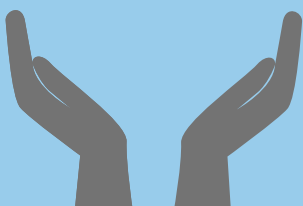

HEAD - WHAT CHANGES IN OUR THOUGHTS?

Have you been baptized? Why or why not? If you are not baptized, are there things that make you hesitant or unsure about what to do or how to proceed?

HEART - WHAT CHANGES IN OUR HEARTS?

How does witnessing a baptism impact or remind you of the saving work of Jesus, if at all? Does it rekindle and remind us of who we are in Christ and what we are called to?

HANDS - WHAT CHANGES IN OUR LIVES?

Do you know someone who is a Christian but is not yet baptized? How can we encourage them in clarifying what baptism is and encouraging them toward baptism as an act of obedience to the Great Commission?
