Context Clues -

Practical Outworking -

Examples from Scripture -

d) Practical Helps to "Pray Without Ceasing"

Homework: Each day this week, spend at least 15 minutes in focused, uninterrupted prayer. (If this needs to be in two separate sessions, that is fine, but be sure that they are uninterrupted and focused **ONLY** on prayer)
****In addition, download the Prayminder App (or a preferred alternative) and give it a try, populating it with several prayer prompts and adjusting the settings to help you pray more frequently throughout your day.**
