Homework: Each day this week, spend at least 15 minutes in focused, uninterrupted prayer.

In particular: 1) Pray every day in accordance with "Your Kingdom Come", including the three specific applications we learned. Pray for His return, pray for the lost, and pray for your own obedience.

2) Pray that you would be yielded to God's will, both generally in your life, and in specific areas in which you need to submit.

3) Continue to deliberately seek to grow in "Pray without ceasing", training yourself to acknowledge God and depend upon Him throughout the day.
