

**The Weary World Rejoices**  
**Week three - "A Time for Receiving"**  
***Isaiah 40:29 and Luke 17:11-19***

1. When it comes to receiving gifts, which most accurately describes you: eager receiver, slow receiver, awkward receiver, reluctant receiver, ungrateful receiver?
2. What are some gifts you may have received from God? What gifts do you think of ones that come from God?
3. Read Luke 17:11-19. What did the one who came back receive from God that was different from the rest? Why do you think the others didn't return to say thank you?
4. What are some of the things you've asked God for? Are there things you've hesitate to ask for, or haven't asked for? Why?
5. What is something different you need to ask God for this week?
