Week one - "Church Matters"

Acts 2-6

Bottom line: Jesus started a movement that couldn't be stopped by death, or threat of death, or persecution, and that movement is still changing the world today.

1. What is your church background? Did you grow up in church, not grow up in church, leave for a while and come back? Take a few minutes and share your stories about your relationship and history with the local church.
2. Read Acts 2-6 and use the message notes in the app to go back and look at some of the parts of the story that Pastor Jenn highlighted.
 - a. What stands out to you as extraordinary in these early days of the church?
 - b. How do you think you would have responded to the threats and punishment being doled out to the apostles?
 - c. Why do you think they stayed and kept talking about Jesus?
3. How are you part of this movement known as the church? How would you like to be more involved? Or, what keeps you from getting involved?
