

“In the Waiting”

Great Expectations

Bottom Line: The wait is worth it

1. Have you ever had to wait for something important to happen in your life? Was it difficult for you to wait?
2. Why do you think it is hard for us to remember that God is still there during a waiting season?
3. Name a time in your life when you experienced an unmet expectation. Why do you think we try to take control when we know that God has a plan for us?
4. Read Luke 1:11-18. Why do you think Zechariah doubted the angel when he heard the good news? Have you ever doubted God before?
5. Why is it easy to put God first during the holidays, but not during the rest of the year?
6. How are you preparing to put Jesus at the center of your life?
