

Now Here

Week one - "It's NOW"

Philippians 2:1-11

Bottom line: Now is our time to love like Jesus, which is impossible if we're not connected to God.

1. What did you learn about yourself during the pandemic? What did the pandemic reveal about your faith?
2. Read Philippians 2:1-11 (as a challenge, try to memorize the verses over the coming weeks and practice with your group)
 - a. What made Jesus so different from other leaders or rulers?
 - b. Why would this difference have been off-putting to people who were in charge when Jesus came? Why was his authority offensive?
 - c. What are some practical ways we can value others above ourselves?
 - d. What would it look like for you to empty yourself so someone else can flourish (i.e. I Lose, We Win)?
3. To live and love like Jesus we have to stay connected to God. What does that look like in your life?
4. In what ways do you struggle to abide? How does the very idea of abiding push against our culture and our world?
5. How can you connect to God more intentionally this week?
