

## **The Questions of Jesus**

**Week one - *Do you want to get well?***

***John 5:1-8***

**Bottom line: Jesus made blind people see and lame people walk. The question isn't "Can Jesus change your life?" It's "Do you want Him to?"**

1. What are some ways or some areas of life where you feel stuck?
2. What's keeping you stuck?
3. What would be different about your life if you got unstuck?
4. Read John 5:1-8.
  - a. Why do you think Jesus asked the man if he wanted to get well?
  - b. What are the three instructions Jesus gave to the man at the pool?
5. Which of the three steps Jesus offers feels like the one you most need to take this week; a step of faith, a step of expectation, or a step of confident hope?
