

The B-I-B-L-E

Week three - "Divine Strategy"

Genesis 12:1-3

Bottom line: God's strategy to redeem and restore us involves us - we are blessed to be a blessing.

1. What kind of game-player are you, i.e. methodical and in it for the long game, or going for the glory and ending it as quickly as possible?
2. What are some of the greatest challenges you experience when you read or hear stories from the Old Testament?
3. Knowing what you know about some of the earliest history of humanity and even present-day humanity, why do you think God didn't just give up altogether, or start over completely?
4. Read Genesis 12:1-3
 - a. How would you describe God's strategy?
 - b. In what ways does it feel like the strategy worked?
 - c. In what ways does it feel like the strategy didn't work?
5. Why is Jesus the only way the plan ultimately works?
6. In your life, how have you felt blessed?
7. How is God potentially wanting to use you to bless others?

We believe circles are better than rows and that the Bible is best understood in community conversations. If you would like to join or form a small group, please go to our website and click the button that best suits your next step. www.ashleyridgechurch.org/groups
