

(U)COMMON

UnCommon Commitments, week two

Hosea 1-3

1. Where do you fall on the “stick-with-it” spectrum? Do you give up pretty quickly or are you the stubborn one left standing?
2. What do you think of when you hear the word “faithfulness?” Where have you experienced faithfulness in your life? How have you experienced unfaithfulness?
3. Read Hosea 1-3 (I know, it’s long). Why do you think God decided to be so literal in his demonstration, meaning the names of the kids and having Hosea marry (and chase-down multiple times) an unfaithful woman?
4. How can we grow in faithfulness to God?
5. How could our faithfulness change the way other people see God? How about the way people see the church?
6. What would it look like for us to show absurd faithfulness to each other? What are your biggest reservations in doing it?
