

Walking in Wisdom

Week eight - "Wise in our Faith"

Proverbs 3:5-6

Bottom line: Faith is choosing every day to follow Jesus in the way of God.

1. Take time to share your faith stories - When and how did you choose to follow Jesus? What have been some of the high points and low points and detours along the journey? How do you find yourselves trusting God and submitting to God? How do you find yourself resisting? What does it mean to you to say "Jesus is the Lord of my life"?
2. Read Genesis 2:15-17 - Why do you think God didn't keep Adam and Eve from eating from the tree of life, but He did tell them not to eat from the tree of knowledge?
3. How does the path of your life look different because you have chosen to follow Jesus?
