

Reclaimed: Resetting the Table

Week Three - Groundbreaking Family Meeting

Luke 19:1-27

Bottom line: It's time to build a building and we need money to do it.

1. What things have you done individually or as a family that required a significant financial commitment? How did you make it happen?
2. What questions does your group have about our church's building project? Please feel encouraged to make a list and invite someone from the staff and building team to join you for a future gathering, and/or email your list of questions to Jenn@ashleyridgechurch.org.
3. Read Luke 19:1-10
 - a. What stands out to you about this dinner party?
 - b. Why do you think people are still surprised that Jesus eats with sinners? Who do you think they want him to eat with?
 - c. Zacchaeus is a great example of transformation happening around the table. How did Zacchaeus change? What do you think led to his generosity?
4. What motivates you to be generous?
5. What's the difference between giving what you can to something and giving sacrificially?
6. How is God inviting or challenging you to be generous right now?
