

Let's Go

Week two - "Priority Prep"

Joshua 1.7-9 and Acts 4.13

Bottom line: You can be courageous *and* careful if you hold on to God.

1. What kind of "packer" are you when it comes to getting ready to move or go on a trip? Organized, unorganized, strategic, last minute, bring it all, just the basics - share your stories.
2. What items do you consider top priority when you're going on a trip? In other words, what are your essentials?
3. Read Joshua 1.7-9
 - a. What were God's instructions to Joshua as he got everyone ready to go from the desert to the Promised Land?
 - b. Why do you think God was so repetitive about the strength, courage, and care they would need?
4. In what ways do you see courage and care as being opposites?
5. In what ways do you think courage and care can work together?
6. What would it look like for you to be more courageous in your current season of life?
7. How do you need to be more careful and intentional with the season you're in?
8. How are you actively holding on to God and bringing God with you wherever you are and wherever you go?
