

Same But Different

Week three - "Same Power"

Ephesians 1:17-21 and Acts 3:1-12

Bottom line: The same power that was in Jesus is in us, but our hunger needs to grow.

1. Do you feel like God works differently now than He used to? If so, why?
2. How would you define a miracle? Have you experienced what you would consider to be a miracle?
3. Read Acts 3:1-12
 - a. What do you find interesting about this interaction?
 - b. Why did Peter go out of his way to make sure people knew that he and John weren't "special" in their ability?
4. What keeps you from believing you have the same power as some other people?
5. What would it look like for you to grow your spiritual hunger?
6. How does our hunger make room for God's power?
