

Come, Let Us Adore Him

Week two - "Zechariah's Soundtrack"

Luke 1:5-22, 67-80

Bottom line: Our words help to build a soundtrack for others, and the right words in the right moment are life-giving.

1. Think about a time when you said something in anger or frustration you later regretted. Anyone willing to share?
2. How generous are you with encouraging others or expressing gratitude with your words?
3. How would you respond if you were called like Isaiah and others to speak to others on behalf of God?
4. Read Luke 1:5-22. Why did God make Zechariah unable to speak?
5. How does being with God change your thoughts, and ultimately change your words?
6. Read Luke 1:67-80
 - a. Do you think the people who heard Zechariah's words were encouraged or discouraged?
 - b. How do you think Zechariah's words impacted his son John's life?
7. What are some things you need to do for your soundtrack to be filled with more of the right words in the right moments?
