

Dear Galatians

Week two - "Grace Beats Weary"

Galatians 2, Galatians 6:9 and Acts 15

Bottom line: Weariness makes us feel untethered. Grace ties us to Jesus forever. So, grace beats weary.

1. Be honest, on a scale of 1-10 with "1" being "fired up" and "10" being "super weary," how are you doing? What area of your life feels most prone to weariness right now?
2. What's the difference between being tired and being weary? What's the connection between tiredness and weariness?
3. What are some of your biggest temptations when you feel weary?
4. Read Galatians 2:1-10
 - a. What does Paul mean when he says we are saved through the grace of Jesus?
 - b. Why is it good news that we're saved by grace?
 - c. Even if we believe it's good news, why do we try to save ourselves through other things as well? Why do we try to make others save themselves through additional things?
5. What's the difference between doing things to earn your own way, and doing things because you've been given a way?
6. How can clinging to grace help you battle some of the weariness in your life?
7. Where are you struggling the most, and how can this group pray for you and help you?
