

Joseph: What To Do When Life Goes Wrong

Week Three - "Steady"

Genesis 41:15-16, 25-30, 39-40

1. What are some of your craziest dreams (or nightmares)?
2. Have you ever felt forgotten or overlooked or passed over?
3. When you think of the words "steadfast" and "steady," what comes to mind? Who are some people in your life that best exemplify "steadfast" and "steady?"
4. Have you had a person speak clarity into confusion in your life? A situation where what seemed too complex, too murky, too heavy suddenly became clear? What was that moment like?
5. How do people of steadfast faith in God - like Joseph - react to tragedy?
6. Are there people that you need to invite in to your circle, your community, that can speak clarity into your confusion? Are there people that you need to invite in to your circle that need clarity in light of their confusion?
7. What would change about our personal worlds if we found ways to remain steady in our faith despite the circumstances around us?
