

90 - Life of Jesus

Week 13 - "Whose King?"

John 18 and 19

Bottom line: We can focus on what it might cost us to follow Jesus, or we can focus on everything we have to gain.

1. Read John 18 and 19
 - a. Based on what you know, put yourself in the shoes of Caiaphas, Peter, and Pilate. Why do you think each of them felt the need to reject association with Jesus?
 - b. What could have happened to each of them if they had refused to disassociate from Jesus? (hint: consequences would have been different for all of them)
2. What do you stand to lose by following Jesus? Be as specific as you can be.
3. What do you stand to gain by following Jesus? Be specific.
4. In what ways do you think you consciously or subconsciously weigh those two in your daily decisions to follow Jesus?
5. How can you intentionally choose association with Jesus this week?
