

The Blessing
Week Three - *Legacy Makers*
Joshua 24

1. What are some of the dreams you had growing up about the life you would live - what you would do, what you would have, etc?
2. What chapters of your life are you proudest of? Which chapters do you wish you could rewrite?
3. Read Joshua 24:14-26. What decision was Joshua asking the people to make? Why do you think he questioned their decision while they were making it?
4. What decisions are you making right now that impact the story you will tell someday? What are the biggest obstacles to making the right decision? How can you make your decision concrete so you don't forget about it or get tempted to change your mind?
