

### **Better, week one: Better than what?**

***Romans 1:28-2:4***

1. List some things you think are better than others.
2. What is the difference believing God is better than anything and everything else and living as though God is better than everything else?
3. **If we want to get better, we have to acknowledge where we're weak.** Which area stands out to you as an area you need to work on most - financial, relational, physical, or spiritual?
4. Who are some of the people you compare yourself with? Why do you think we compare ourselves to others?
5. What is the difference between fruit sins and root sins? Do you tend to pay more attention to one or the other? Why?
6. What do you think of when you hear the word "repentance"?
7. **True repentance isn't being sorry for something we've done - true repentance is acknowledging our weakness, and making the most of the grace being offered to pursue radical life change.** What does this look like for you?
8. Read Psalm 139 - how can the group pray for you this week?
