### The Labor Of Love In Discipleship

1 Thessalonians 2:8... *"So, being affectionately desirous of you, we were ready to share with you not only the gospel of God but also our own selves, because you had become very dear to us."*

Discipleship is on the mind of the elders at New Life. Discipleship is a word like grace that Christians use and hear often, but what does discipleship mean? Simply put, it first starts with you following Jesus as His disciple, united to Him by faith. Then, to disciple others, is where you intentionally walk alongside others calling them to follow Jesus by pointing them to Him.

Discipleship can come in a variety of forms: formal ways of Bible studies, Sunday preaching, walking with another through a gospel resource, or leading others in purposeful acts of service that Jesus commands. Discipleship comes in many organic ways too, through regular phone calls, lunch conversations, inviting others into your everyday life activities demonstrating by example how you follow Jesus in them, and in so many more ways. Many of you have people in your life that you credit with leading you closer to the Lord and you are ever thankful to God for them as they have and/or continue to point you to Jesus. They have disciplined you to follow Jesus.

Some of you may have attended the recent celebration of life for Vernelle Rasmussen. Something became very apparent during the sharing time, and that is, Vernelle disciplined countless people in her many decades of life. One simple question she would always be asking her family, friends, and anyone who entered her home was, "How is your walk with the Lord?" A straightforward question that gets right to the heart of the most important priority of our life: our walk with Jesus. So many during the service stood up and shared how she was discipling in all she did and said. Vernelle shared Christ and she shared herself with so many and those impacted by her care knew it was her affectionate love towards them because of Christ in her.

You might be thinking that you don't know how to disciple. That you're not versed enough in the Bible, or you're not good at teaching anything. Regardless of what you believe may hinder you, God has called you as a believer and commissioned you to go and make disciples, teaching others to know Him and obey His words. Discipleship is not meant to be complicated, but it is hard and an act of faith. To get an idea of the breadth of what pointing others to Jesus looks like, I chose to do a quick flyover of 1 Thessalonians chapter 1 and 2 with the lens of discipleship on. Please read the chapters along with this summary and let the Word motivate and shape your thinking on this subject.

#### Chapter 1:

(Vs. 2) Discipleship always begins with prayer and continues full of prayer

(Vs. 3) Discipleship is a labor of love, act of faith, and requires steadfastness of hope

(Vs. 6) Discipleship occurs in the midst of suffering

(Vs. 6) Discipleship aims for imitation

## Pastoral Pondering

... Continued

(Vs. 7) Discipleship occurs as you live out an example of faith  
(Vs. 9) Discipleship involves leading others to be turning to God from idols to serve the living and true God  
(Vs. 10) Discipleship teaches one another to be patient and to wait for the coming of Jesus, the true judge of all situations

### Chapter 2:

(Vs. 2) Discipleship often occurs in the context of conflict or persecution  
(Vs. 4) Discipleship is walked out not to please man but to please God  
(Vs. 5) Discipleship is a role every believer must walk in as those entrusted with the gospel  
(Vs. 7) Discipleship comes in gentleness like a nurturing mother  
(Vs. 8) Discipleship requires sharing the gospel of God  
(Vs. 8) Discipleship requires sharing our own selves or our life with others  
(Vs. 10) Discipleship requires living by example with "holy and righteous and blameless" conduct  
(Vs. 11) Discipleship comes like a father with his children exhorting, encouraging, and charging all in the way Christ commands us to walk  
(Vs. 13) Discipleship means acknowledging God's work in one another by thanking God constantly  
(Vs. 18) Discipleship includes endeavoring eagerly with great desire to be face to face (in person)  
(Vs. 19-20) Discipleship is done in hope with the reward of joy and crowns at the coming of Christ

Wow! There is so much here in just these first 2 chapters that can shape our thinking as to what discipleship is and looks like. But I want to end on one aspect that is essential in all these examples, and that is, all discipleship must be done in the manner of Christ's love. Just as Paul demonstrated in saying "you had become very dear to us." (2:8) All this discipleship is to be walked out in an affectionate love that flows from knowing Jesus which in turn bears fruit of a tender love towards others. Discipleship lacks good fruit without this love. And this love springs forth from the Gospel as we follow closely to Jesus and motivates a Christ-like love that longs for others to know Him more too.

So in memory of the loving intentional words of our sister Vernelle, with the heart of discipleship in mind, "How is YOUR walk with Lord?" Are you being HIS disciple? And WHO has the Lord brought into your life that YOU can commit to be intentionally pointing to Jesus?

With the affection of Christ, Pastor paul
