NLCC Safety and Security Ministry

Good Morning,

My name is Brooks Berg, and I will be leading the NLCC S&S (Safety and Security) ministry. I have a background in church safety and in security associated with my navy career in the US Navy submarine force, and look forward to applying it here at New Life.

The purpose of the New Life Christian Community (NLCC) Safety and Security Ministry is to **focus the talents** of the congregation into a ministry to provide **coherent safety actions** in case of need. The ministry will receive community-based training in CPR, AED, Stop the Bleed (STB), and Narcan to potentially use on Sundays and the whole rest of the week in the Valley. The ministry will also provide **appropriate security oversight** at major NLCC events.

To be clear there is no event which is driving this action, but rather this ministry will provide leadership for congregational talent on Sunday mornings and other major church events.

What will it look like? Eventually we will have two ministry members for each major church event. Should a health-related event occur, the lead S&S ministry member will take charge, assign one of our medical professionals to assist and direct 911 as appropriate. This will focus assistance efforts and eliminate confusion.

Security will look like a person at the main entrance to greet attendees and monitor unfamiliar faces. Plus, doors will be secured during the service except for the main entrance which will be in view by the S&S team.

To be successful the S&S ministry team should abide by the Fruits of the Spirit of Galatians 5:22-23:

²²But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, ²³gentleness, self-control; against such things there is no law.

To make this happen, the ministry needs about 30 people to spread out the times for ministry service. We will provide excellent community based third party training with active FD and PD from Cottage Grove, MN.

It is not for everyone, but if you feel called to serve, and have a public service or medical background, please contact me in person, via our Messenger or email. I can be reached in person on most Sundays. My email is brooksdberg@outlook.com.

Fellowship Tip for October

As we enter fall, the changing colors of the trees stand out as an obvious display of God's glory in creation leading us to worship. In addition, what other ways can you be pointing out the glory and work of Jesus to others around you?

October Memory Verse

"For by grace you have been saved through faith. And this is not your own doing; it is a gift of God, not a result of works, so that no one may boast." Ephesians 2:8-9
