

SUMMIT TEAMS

KIDS TEAM

TEAM VISION

- We partner with parents in developing children who understand the nature of God, their relationship to Him, and their purpose in His big story.

TEAM ROLE

- Set an example for our elementary and preschool students through both word and deed.
- Teach our young children Bible stories and truths about God.

TEAM RESPONSIBILITIES

- *Lead Sunday School* – Each month our children's ministry studies a new Virtue using prepared activities, curriculum, and large group. As a leader, you will help facilitate this small group time.
- *Partner with parents* – Get to know the families of your students and work together to make sure the lessons we learn aren't left at church but impact our everyday lives.
- *Prepare in prayer* – Pray for God's heart for students before you serve each week. Ask for His help to demonstrate His love to them.
- *Keep it safe* – We want to create environments that are physically and emotionally safe for them to experience the presence of Christ.
- *Handle distractions and disturbances* – Be alert to any unusual behavior or activity (during the morning or in the home) and immediately notify a pastor if anything arises.

TEAM COMMITMENTS

- *Sunday* – We try to schedule everyone once a month and ask that you arrive to service at least 15 minutes before you are set to serve.
- *Events* – Commit to helping with major events throughout the year.
