

Romans 8
Bill Boggess
March 3, 2024

Bill Boggess believed in Jesus Christ as his Savior when he was a college student at Mississippi State in the 1970s. He attended Emmanuel Baptist Church, where he learned under James “Nap” Clark. Afterward he went to Dallas Theological Seminary. He and his wife Barbara served as missionaries in Paris, France with The Evangelical Alliance Mission. After retirement there, Bill joined Equipping Leaders International, and now he teaches Bible to pastors in continental Africa. Barbara went to be with the Lord in 2021. Emmanuel has contributed support to Bill for four decades. If you wish to help support Bill and his mission work, visit <https://donorbox.org/billboggess>.

Bill was led to the Lord through the witnessing of **Glenn Miller**, another college student who was attending Emmanuel. Glenn operates a Christian apologetics website, Christian Thinktank, where, amongst voluminous resources, can be found many of Nap Clark’s sermons. Visit <https://www.christianthinktank.com/>.

Bill was our guest speaker at Emmanuel’s annual Men’s Retreat this weekend. He taught Roman’s Chs 1-6, and he concludes his study today.

Emmanuel has a long history of teaching the Bible verse by verse and preaching Salvation from sins in Christ alone, through faith alone, by grace alone. Our church has had many college students come through our doors who have gone on to become pastors and missionaries all across the globe. Who knows whether that college student that you speak to, mentor, teach in Sunday school, or take out to lunch, will become the next Bill Boggess or Glenn Miller.
