Outline

Lot's Wordly Progression

1. Lusted after it: Saw it with his eyes
2. Latched on to it: Pitched his tent near Sodom
3. Lived in it: Lived in Sodom
4. Lead within it: Ruled in Sodom
5. Limited his testimony: Couldn't save those around him
6. Lingered in it: Had to be forced to leave
7. Lost everything: Banished to the mountains and disappeared
