## **BEIER FAMILY-AUSTRALIA**

*We are back in our church in Australia. We left our oldest daughter Rhilla at Pensacola Christian School which was really hard.Please pray for me as we settle into a routine that will allow me to balance home schooling of our two youngest & the needs of the ministry and as we continue to adjust to a life without Shiloh. My oldest son Paton needs prayer to find a job & an apprenticeship.*

## **HUGGINS FAMILY-BRAZIL**

*Please pray for our new baby that will be here in April. For a healthy and safe delivery. Spiritual growth for our new converts & stability & growth for our Church in Camboriu.*

## **MILLS FAMILY-CHINA**

*I had to make an emergency trip back to America. I ate a fruit bowl contaminated with chemicals which affected my heart, gastro & joints. I have several DR appointments & am waiting for a prognosis.*

## **RUE FAMILY-UKRAINE**

My prayer is for guidance, wisdom, preparation & provision for our return to the Ukraine. We need leading as to where we should live either a safer city in Ukraine or to another city just outside the western border. We also need to secure a vehicle for our travel in Ukraine. We are excited to get ministry started again and to win many to Christ. Because of the war, many hearts are more open to the Gospel then ever before. Please pray for an end to this war or better yet for the Lord to come!

## **ZINNER FAMILY-BEARING PRECIOUS SEED**

*Please pray for my wife Connie who was diagnosed with breast cancer. Because of family history, she had invasive surgery on 3/25 and will need to have further treatment as recommended by her DR. Pray for comfort and strength as we put our trust in God!*
