The Angel and the Pool (John 5:1-4)

There was a “certain season” (vs 4) that the angel would touch the water and the first one in would be healed. He missed the time multiple times probably most of his life 38 years (vs 5).

Healing the Impotent Man (John 5:5-9)

The Man was healed immediately after the Lord said he was healed. He then grabbed his bed and walked. Now this would be the first time he walked. The man just did what the Lord said.

Religious Jewish Leaders response (John 5:10-18)

The religious leaders tried to say what are you doing? he said this man said your healed and walk so I did ask Him.

The Lords Response (John 5:17-30) (John 7:19-24)

the Lord is telling them that the sabbath was made for them not them for the sabbath

Bearing Witness (John 5:32-47)

- The Father (John 5:37) Matthew 3:16-17, Matthew 17:5
- The Scriptures (John 5:39)
- This is the next way that the Lord will witness to us, not through the people like John or the apostles. (Hebrews 10:9)
