

YOUR FAITH MATTERS

SESSION 4 – FAITH HAS A TRACK RECORD

Scripture: Hebrews 11:4-40

Summary: Faith isn't new—you're part of a long story of ordinary people who trusted God.

Icebreaker: Who's someone (family, friend, historical figure) whose faith has inspired you?

Discussion Questions:

- Why does it sometimes feel like we're the only ones struggling in faith?
- Looking at Hebrews 11, what stands out to you about the people listed there?
- How does it encourage you that God used imperfect people in powerful ways?
- Hebrews says some "did not receive the things promised" yet still trusted. What does that say about faith?
- How can remembering God's past faithfulness give us courage for today?

Personal Application: What "next step" of faith can you take this week, even if you don't see the outcome yet?

Closing Prayer Prompt: Thank God for the stories of faith that came before us and ask Him to help you keep trusting.
