Start talking. Find a conversation starter for your group.

- Who is someone you know you can talk to anytime, and they will always be there to listen?
- If you suddenly became invisible, what's the first thing you would do?

Start thinking. Ask a question to get your group thinking.

- We have full and open access to God. Do you think you take full advantage of that access? How might your life be different if you did?
- We're all temples of the living God. After hearing this message, how would you define that?
- Read Matthew 5:14-16. Think of a time when you put your light under a basket. Why do you think you hid your light? How might that situation have played out differently if you had made your light visible?

Start sharing. Choose a question to create openness.

- How would you describe your prayer life? Are there any changes you would like to make?
- How might God be calling you to shine your light?

Start praying. Be bold and pray with power.

*Father, thank You for the amazing privilege of being Your temple. Thank You for giving us open access to You through prayer. Help us to shine Your light before the people in our lives and glorify You in everything we say and do. In Jesus' name, amen.*

Start doing. Commit to a step and live it out this week.
