During Group Time:

Discussion questions:

1. How was your prayer walk? What did you learn? What was the most surprising or challenging aspect of it?
2. What is your role in dreaming God sized dreams in the Body of Christ and how can you participate in bringing Heaven to Earth?
3. What are you currently dreaming about? What is God sparking in your heart or what is breaking your heart?
4. If we are called to partner in the mission of Jesus everyday, then what are some of the ways you can partner with the ongoing restoration and reconciliation happening in your community? How would you define living on mission everyday in your current context right where you are?
5. What impacted you the most hearing stories from the DC Dream Center? Pastor Ernest asks us, "How do you dream freely and inspire others around you to do the same?"
