During Group Time:

Discussion questions:

1. How are you contextualizing the Gospel in conversation where you live, work, and play?
2. What does the Good News look like in your neighborhood and workplace?
3. How is God inviting you to bring wholeness, restoration, and unity to the people and spaces around you?
4. What stood out to you in the story about Casa?
5. Take inventory of your neighborhood map- where has God placed you and why do you think He has called you there?
