During Group Time:

Discussion questions:

1. Share a time you had to submit your will, preference, or opinion to the Lord. What was the outcome?
2. What does reverencing and referencing the Lord in everything you do look like?
3. Read John 10:10. Focus on the abundant life. What does abundant life in the context of wholeness and healing look like?
4. If spiritual disciplines are the habits that direct our lives– what habits are currently forming your life? Are they pointing you in the direction you ultimately want to go? If not, what is one thing you can do differently?
