1. Read

Ephesians 5:1-21

2. Verse to Memorize

“Therefore be imitators of God as dear children. And walk in love, as Christ also has loved us and given Himself for us, an offering and a sacrifice to God for a sweet-smelling aroma.” - Ephesians 5:1-2

3. Answer Questions

1. We have all been immoral, impure, or greedy at some point. Does verse 5 mean none of us has an inheritance in the kingdom? Why or why not?
2. How can we avoid being partners with people who are not living in the light? Does not being partners with sinners mean that we should only have Christian friends? Why or why not?
3. No foolish talk or coarse joking? Does God not have a sense of humor? Can we still have fun and laugh as children of the light? Why or why not?
4. After reading these verses can you determine if you are living in the light or in the darkness? What needs to change? What is the result of living in darkness? What is the result of living in light?
5. Paul juxtaposes "drunk with wine" and "filled with the Spirit". What differences would characterize one who enjoys debauchery and one whose life is evidenced with being filled with the Spirit?
