2. Paul writes that Christ made *“one new man from the two.”* How has He done this? Why do you think He created a new group rather than simply making all Gentiles Jewish?
3. Have you ever struggled to connect with someone because they are different than you? Explain. How does this section of scripture help you connect and love better?
4. As Christians, through the Holy Spirit, we become one body. What are some practical things you can do to cultivate this connection? What can you do to make peace with others or to make them feel apart of the body?
5. What is a cornerstone? Why is it important? How does Jesus serve as the cornerstone? What building is the cornerstone apart of?
