

FAR REACHING MINISTRIES

FAR REACHING MINISTRIES is operating in 36 countries worldwide, of which are 9 of the 10 most dangerous countries in the world. Twenty-four years ago, FRM started a work in Africa to be more than just another Christian presence on that vast continent. The work began in Southern Sudan to bring relief to a nation ravaged by genocide (2.5M people). FRM is recognized as the official chaplaincy training program in South Sudan, Nuba Mountains, and Darfur, with the sole purpose of discipling men in the military to serve their war-ravaged nation

with the love of Jesus Christ. Today, we support 700 underground pastors across the Middle East, Asia, Latin America, and Eastern Europe, running schools, orphanages, building homes for widows and orphans, and many other gospel-focused outreaches.

EDWARD AMAYA serves as Director of Ghost Operations. Ghost Operations covers FRM's expanding work into the most dangerous nations.

GHOST OPERATIONS (GO!) brings the authentic love of Christ to people being torn apart by war, poverty, and human suffering.

Edward has held leadership positions within a \$9B publicly traded company with 300,000 worldwide employees, ministry leadership responsibilities over international teams, and boots-on-the-ground operations. He travels extensively as a keynote speaker on the persecuted church.

Edward is driven to see the Body of Christ reawakening to the opportunities all around us to bring the love of Jesus to an increasingly chaotic world. When Edward is not catching an airplane, Southern California is home.
