

Ladies CHRISTMAS TEA

Keynote Speaker: Susan VerSchneider

The song by Big Daddy Weave says: *“To tell you my story is to tell of Him.”** My story starts with being raised in a Christian home of devout Catholics. I’ve always had a strong interest in health and science and have worked in various specialty areas as a Master’s degree level nurse. The Lord has also given me the opportunity to work as the Director of Client Services at our local Crisis Pregnancy Center for three years, and in the administrative offices of my church for eight years. Currently I am working in healthcare and reside in Charlottesville, Virginia.

Music and praise has always been essential in my faith walk and I was able to serve for seven years on the worship team at my church where I’ve been a member for more than 25 years.

I experienced health challenges early in life and at the age of 18 suffered a violent event where one of my worst fears came true. Seeing God bring beauty out of the ashes of that dark time has given me a story which continues to unfold, revealing the marvelous transforming power of His love. It has been my great honor to be able to share the story of His goodness to individuals, small groups, and church congregations.
