1. Pastor David shared a personal story about his Bible from 1980. How has your relationship with the Bible changed over the years?
2. According to the sermon, why is it important to "hide God's Word in our heart"? How can we practically do this in our daily lives?
3. Pastor David mentioned that God's Word is useful for teaching, rebuking, correcting, and training in righteousness. Can you share an example of how the Bible has fulfilled one of these roles in your life recently?
4. How does understanding that "all Scripture is God-breathed" impact the way we approach and apply the Bible?
5. The sermon states that "God's Word directs us, corrects us, protects us, and rewards us." Which of these aspects do you find most meaningful in your current season of life, and why?

6. What are some challenges you face in consistently engaging with God's Word? How can we as a group support each other in overcoming these challenges?

Practical Applications:

1. Commit to reading a portion of the Bible daily this week. Share with the group which passage or book you'll be focusing on.
2. Choose one verse from today's discussion to memorize. Next week, share how meditating on this verse impacted your week.
3. Identify an area in your life where you need direction, correction, protection, or encouragement. Spend time searching Scripture for guidance in this area and be prepared to share your findings with the group next time.
4. Consider starting a journal to record your reflections on Scripture and how God is speaking to you through His Word.

Closing Prayer:

Thank God for His Word and ask for His help in falling more in love with Jesus through engaging with Scripture. Pray for each group member to experience the power and relevance of God's Word in their daily lives.
