

Recalibrate 2023 – Monuments and Moments

Discussion Questions:

Did you make any new year's resolutions for 2023? Why or why not?

What is your most successful new year's resolution/goal/plan you have ever had?

When you look back on the national and global news stories from 2022, what stands out as most memorable? When it is 2032, what will we look back on as most significant from last year? Why did you pick what you picked?

When you look back on 2022 personally, what is the most significant element/event of the year for you? Why?

What is your biggest "God-Moment" at RAC?

What is your biggest "God-Moment" personally?

When you think of that God-Moment, what are you reminded about God's character, work, and nature?

Is there any creative way you can make a physical monument to help you remember that moment?
