

Recalibrate 2023: New Wine New Wineskins

Discussion Questions:

What is an example of a new wineskin from the Bible?

What is an example of a new wineskin from the 21st century?

How do you build monuments without turning them into idols?

Why do you think our natural tendency is to prefer the old wine?

What are the characteristics of new wineskins?

What new thing might God be wanting to do?

Who might God be trying to reach?

Who might God be using, but we won't see it?

If we were starting from scratch today with the target of "make disciples" and no previous history, what would we do to reach that target?

Imagine this is a business. Another church moves into our neighborhood with the same mission of "connecting Rexdale to Jesus and to his mission" – what could they do to put us out of business?

What should church (preaching, music, children's, start/stop/meeting times, etc) look like in 2025 Toronto?

Should a church look for new wineskins? Why or why not? If yes, how often (as a general rule) should a church look for the new wineskin/method?
