

## I am Valuable

### Discussion Questions:

What does it mean to you that you are made in the image of God? How should that fact affect your day-to-day life?

Part of bearing the image of God is that you were made for relationship, including a relationship with God Himself. For you personally, what is the easiest part of being in a relationship with God? What is the hardest part? On a scale of 1-10 (1=bad, 10=good) how would you score your relationship with God right now? What would make it one number higher?

What kind of people do you find it easiest to see the image of God in ... to view as valuable? Why do you think that is? What kind of people do you find it most difficult to see the image of God in ... to view as valuable? Why do you think that is?

Is there anyone you have "passively discriminated" against (ignored, unfollowed on social media, minimized, marginalized, provided a lower quality of service to, etc)? If so, would you be willing to apologize to them for that? Based on this message, what would you do differently next time? Why?

Is there someone you think God wants you to contact and affirm Him image in this week? Will you?

Is there someone you think God want you to forward this message to, so they can know they are valuable to God? Wil you?
