

LIVE CALLED 2022: Reframing Hospitality - Discussion Questions

What especially spoke to you from the story of Jesus welcoming himself into Zacchaeus life?

What do you learn about Jesus from his many examples of a welcoming mindset towards outsiders and the nations? (See Luke 19:1-10; Luke 7:1-10; Luke 4:25-27; Mark 7:24-30)

How might you take a mindset of welcoming into your daily life this week—among those in your sphere of influence (neighbourhood, workplace, family, etc.)

For the three calls to action, what other examples can you think of? (Space left below for you to add your ideas!) How will you take action this week to pray, give, and/or get involved in the local work God is doing?
