

WELCOME

Welcome to Pilgrim Rest Missionary Baptist Church, where we encourage you to worship, connect & serve! Thank you for being with us! May you experience God's peace and know the difference that He makes in life and eternity.

A GOOD SEASON

But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law. Galatians 5:22-23

Our loving Father is in the business of restoration. Take a look around and see renewal and good fruit on display at Pilgrim Rest. The Bible records God's faithfulness in raising up leaders to correct and exhort His people to serve wholeheartedly, and He is still doing so today.

Thank you, Bro. Gunner and Sis. Alli, for answering God's call to love, lead, and awaken us. Thank you Brothers and Sisters for responding, stepping in to serve, and committing to learning how to evangelize our community. There is a sweet, sweet, Spirit in this place and I know our Father is happy to see it.

JOIN US WEDNESDAY NIGHTS

Come visit and study with us at 6:30pm each Wednesday night. We meet in the Fellowship Hall for announcements, prayer requests, and a Bible study on Evangelism (children go to class &/or nursery after prayer). This is casual and if you come straight from work feel free to bring your dinner. Often you'll find folks visiting on the east lawn afterwards, letting the kids play and the choir members rehearse. It is a fantastic way to spend an evening, and one that will energize you to finish the week strong!

A NEW BIBLE STUDY TOOL AVAILABLE

The Church has purchased a subscription to *Right Now Media*, a resource available to all members. There are Bible studies, videos, children's lessons, and much more. To check it out, let Bro. Gunner know and he will send you an email so that you get set up and signed in. We hope you will take advantage of this opportunity and grow in the Word of God!

FELLOWSHIP TEAMS

Would you like to serve on a Fellowship team helping set up and clean up for our potlucks? If so, please let Tonya Gilliam know. It is time to redo the teams to ensure even distribution of workers. We always make sure to have experienced folks as the 'leads' to help the new team members. Thanks so much for your support!
