**Life Shapes 4: Learning to Lead & Learn Well (square)**

**Summary:** Becoming the person that God envisions us to be will require that we learn to lead & learn well. That is challenging because different styles of leading are required at different stages of the learning process. By following Jesus & learning from the way he led, we help fulfill the mission he gave us of helping make disciples from all nations.

**Big Idea:** Jesus will help us to learn and lead well.
