Vision: Seeing the Fullness of Life With God

Summary: When we miss the vision that God has for us, our lives can fall short of all that God envisions for us. Jesus can give us a unique vision for our life that fits in with His work of redeeming and restoring all things. In the end, life will be more than we can ask or imagine.

Big Idea: Jesus will give us a vision for life so we can live in the fullness of all that He has for us.
