One With Authority Mark 1:21-34

Kicking Things Off

When searching for wisdom, guidance, direction, what/who are the top three places you typically go first?

Getting Into It

Read Mark 1:21-34

What kind of authority does Jesus show in v. 21-22? What's the significance of that?

What happens in v. 23-25?

What does this tell us about the demonic realm?

And what kind of authority does Jesus demonstrate there?

What are the two extremes Pastor David warned us to avoid when considering the demonic realm?

What important reminder do we see in 1John 4:4?

What happens in v. 29-31?

What kind of authority does Jesus demonstrate there?

In our passage today, Jesus demonstrates His authority over teaching, the demonic realm and sickness. What does this tell us about Him?

So if Jesus has authority in all these areas, even with those in rebellion to Him like the demonic realm, why do we find ourselves so often not submitting to Him and His word?

What can be done about this?

The Parting Shot

Spend some time in prayer and repentance, seeking and submitting to Jesus as Lord in our lives.
