### Kicking Things Off

What was it that initially first drew you to Jesus?

What was it that eventually led you to understand that you most needed repentance and forgiveness of sin?

### Getting Into It

For context, read Mark 3:7-12

People were coming from everywhere and making great effort to see or be with Jesus. What was the draw?

What did we learn about Jesus' primary purpose for coming? (see Mark 2:1-11, v. 17)

What draws people to Jesus in our day?

What happens when people miss the point on why Jesus came?

Read Mark 3:13-19

Which of these twelve stand out to you the most? Why?

Jesus chose a very diverse and unlikely group of men to be in His trusted inner circle of 12. What does that tell us about God choosing us?

### The Parting Shot

If you are a follower of Jesus, why do you think He chose you? What is He calling you to? What's His purpose for your life specifically?

Spend some time praying for each other to walk in God's call.
