New Life In Christ Dr. Erik Thoennes | Mark 5:1-20

Kicking Things Off

Describe a time in which you felt like you were in an impossible situation and didn't know how you were going to resolve the problem. What thoughts and emotions did you run through?

Getting Into It

Read Mark 5:1-20.

What is the situation of the man in the tombs? What did the people around him do in an effort to manage his condition?

What do we see here as Jesus begins to confront these demons? What does this tell us about the demons? What does this tell us about Jesus?

The herdsmen went and told the people all over what had happened. What was their response? Put yourself in their shoes. What do you think they might be thinking about all of this? Why do they reject Jesus instead of embracing Him?

How can you relate to the man of the tombs? Obviously, his circumstances were more dramatically destructive than most, if not all of ours. But the Bible tells us that we are all equally fallen and equally in need of Jesus to save us. How in touch with that desperate need you had/have are you?

How do you think the man of the tombs life changed most?

How did your life change the most when Jesus saved you?

What do you think about Jesus telling the man to stay behind in his home town to tell people what Jesus had done for him?

What implications for your life might that have?

The Parting Shot

Spend time in prayer about what we discussed tonight.
