Restore to me the joy of your salvation,  
and uphold me with a willing spirit.”**

## Discussion Questions

- 1. Lent is described as a season of repentance, reflection, and renewal. Why is it important to intentionally set aside time for spiritual self-examination?**
- 2. Jesus calls people to repent and believe. How do repentance and faith work together in daily Christian life?**
- 3. The parable of the lost son shows both repentance and restoration. What does this story teach about God's response when we return to Him?**
- 4. Tony emphasizes fasting with prayer and reflection. How can fasting help you become more aware of your dependence on God?**
- 5. What practical ways can you use this season to grow closer to God and serve others more intentionally?**

## Reflection Challenge

**During this season of preparation, take time to focus on your heart:**

**Am I making space for repentance and renewal in my life?**

**Where is God calling me to grow or change?**

**How can I practice prayer, fasting, and kindness more intentionally?**

**Remember:**

- 👉 Repentance leads to restoration**
- 👉 Reflection brings clarity**
- 👉 Renewal strengthens faith**
