

GUIDED BIBLE STUDY

Every Story Matters

Speaker: Shane Condon

Highlighted Scripture

- **1 Peter 4:10**

Believers are called to use the unique gifts God has given them to faithfully serve one another as stewards of His grace.

- **2 Corinthians 1:3–4**

God comforts His people so they, in turn, can comfort others with the same comfort they have received from Him.

- **Revelation 12:11**

Believers overcome through the blood of the Lamb and by the word of their testimony, demonstrating the power of sharing what God has done.

Discussion Questions

- **Shane says that everyone's story is different. Why do you think God chooses to work uniquely in each person's life?**
- **Have you ever been encouraged by someone sharing a**

simple testimony rather than a polished sermon? What made it impactful?

- **What fears or insecurities keep people from sharing what God has been teaching them?**
- **How can God use ordinary experiences to encourage someone else's faith?**
- **Is there something God has been teaching you that could encourage another believer?**

Reflection Challenge

Consider how God might use your story to encourage someone else.

Ask yourself:

- **Has God taught me something recently that I've kept to myself?**
- **Am I waiting until I feel "qualified" before sharing what God has done?**
- **Who in my life might be encouraged by hearing part of my testimony?**

Try this:

- **Pray and ask God if there is someone He wants you to encourage this week.**
- **Share one lesson God has been teaching you with a trusted friend, family member, or small group.**
- **Thank God for the unique experiences He has used to shape**

your faith.

- **Encourage someone else who is hesitant to share their story by reminding them that God often works through ordinary people.**

Remember

- **God uses ordinary people to accomplish extraordinary purposes.**

- **Your testimony can encourage someone in ways you may never fully see.**

- **Faithfulness is more important than perfection.**

- **God gives each believer unique experiences to share for the benefit of others.**

- **When we faithfully share what God has done, He often uses it beyond what we can imagine.**

Prayer

Father God,

Thank You for the unique story You are writing in my life. Help me to be faithful with what You have taught me and give me the courage to share it when You open the door. Remove the fear of not being good enough or not knowing enough, and remind me that You delight in using ordinary people for Your purposes. May my words always point others to You and encourage them in their own walk with Christ.

In Jesus' name,

Amen.
