## Sermon Guide

## WEEK 3

### THE MIRACLE OF PHYSICAL HEALING

**Read:** ACTS 3:1-10

#### **Consider:**

Miracles are acts of God done on behalf of humanity that meet a need, change an outcome, and make the impossible possible.

In Acts 3, we find a man who was born unable to walk receive physical healing after Peter and John pray for him.

This week, we are talking about the miracle of physical healing. In your group, you will discuss and pray for this miracle to take place in our church.

#### **Engage:**

1. Why do you think we don't see more miracles today?
2. Have you ever prayed for a miracle and God answer? What did you learn from that experience?
3. Have you ever prayed for a miracle and God choose not to answer? What did you learn from that experience?

### **Engage Continued:**

4. Why are miracles hard to believe in?
5. Do you feel worthy of a miracle?

### **Practice:**

This week, spend time as a group praying for the miracle of physical healing at our church. Pick one day this week and fast as a group, 8am - 4pm. At the top of each hour, spend 10 minutes praying for someone in our church to be healed. If there is anyone in your group who is sick, or has a loved one who is sick, spend time praying for each of them by name.

### **Apply:**

Call someone who is sick and pray for them over the phone. Pray for healing, encouragement, and wisdom for medical professionals if any are involved.

### **Ask:**

Did last week's sermon bring any questions to mind? Discuss with your group. Someone else might have had the same question or know how to answer yours!
